

Dear Parents/Carers,

6<sup>th</sup> July 2021

## BEACH DAY!

Here is everything you should need to know about our Beach Day! However, if we haven't answered your questions here, please just ask us via [nrl@longmoorcps.co.uk](mailto:nrl@longmoorcps.co.uk).

- Beach Day will be happening next week, 12<sup>th</sup>-16<sup>th</sup> July, on the day when the weather is at its best – we'll be keeping an eye on the forecast and will let you know precisely when, once we can predict with more confidence which day will be the sunniest!
- In order to be fully prepared for the day, please send the following items in a NAMED carrier bag into Nursery, which can stay on your child's peg until Beach Day happens. You can send this bag in as soon as you have it ready (this week) or by Monday 12<sup>th</sup> July at the latest:
  - a **complete** set of (named) clothes to change into, since we anticipate your children will get wet...!
  - spare shoes, again, labelled!
  - a beach towel (labelled)
  - a sun hat (you guessed it, labelled!)
  - sun cream (if you wish your child to reapply this themselves during the session – we are not allowed to apply it)
- We are awaiting our sand delivery, and intend to have 'sea' too, so expect wet, dirty children when you collect them! We are also getting out the water pistols....you have been warned!
- On the day itself, please send your child in to Nursery in their own beach clothes (not uniform) – nothing fancy or 'best', but typical outfits for a day at the beach.
- You have all been very generous with pennies for our pig, and we hope to have enough money in there to buy hot dogs and party food, along with ice pops. Thank you.
- School has very generously offered to pay for all our beach equipment (including sand!) in place of our Knowsley Safari Park trip, and for this we are very grateful – we fully intend to make this day as memorable and fun as possible, and will be taking lots of photographs!
- Finally, we can't stress enough how important it is to label your children's spare clothes, shoes, carrier bag and towel – we have over 40 children in each session and matching unnamed clothes to children takes longer than you might think!
- We will let you know when Beach Day will happen via a note on the gate and via Marvellous Me, before the day itself, so keep your eyes peeled!

We can't wait!

The Nursery Team
