SRE

Growing and changing

Geography – The Weather

The children will:

- identify different types of weather and how weather can change across the UK
- study weather reports and symbols and make their own weather reports and journals
- explore how weather patterns affect the local area
- explore how weather patterns change across the UK and across the seasons
- discuss the effects of extreme weather patterns across the UK
- investigate which places in the world are extremely hot or cold and how the weather has an effect on the lives of the people who live there
- produce a weather book / report detailing facts about weather and its impact throughout the UK
