

Dear families,

Your child has been chosen to take part in the North Liverpool Collaborative Network year 4 debating competition at Archbishop Beck on Monday 25th November. We will walk over to the venue after lunch and return to school by 3.30pm.

The proposition we will be presenting is 'People should be able to say what they want on Twitter' and we have a team of 3 pupils speaking for the proposition and a team of 3 pupils speaking in opposition.

The children have been given their speeches today to take home, learn by heart and practise as much as possible. It would really be appreciated if you would help them with this! We will also be giving them a chance to practise in school. Please encourage them to speak loudly and clearly with lots of expression.

If they want to change any parts of their speech it is absolutely fine or if they want to highlight, underline or annotate words or sections. We want them to feel confident when presenting on Monday!

Kind regards,

Miss Bill and Mrs. Grundy
