

Sensory Processing Awareness & Strategy Workshop

These sessions are being delivered in Liverpool for parents and carers of children aged 0-5. The aim is to raise awareness of sensory processing difficulties and to support children and families living with these needs over two sessions.

What you will learn in session one:

- > How our eight senses work
- > What sensory processing difficulties may look like

[To book your place contact the Children's Centre \(CC\) direct](#)

<p>Bellevalle CC Tuesday 7th January 2020 9:30 – 12:30pm Tel: 0151 233 1705</p>	<p>Everton CC: Tuesday 3rd March 2020 9.30 – 12.30pm Tel: 0151 233 1969</p>	<p>Granby CC: Tuesday 5th May 2020 9.30 – 12.30pm Tel: 0151 233 3200</p>
<p>Yew Tree CC: Tuesday 7th July 2020 9.30 - 12.30pm Tel: 0151 296 7950</p>	<p>Stoneycroft CC: Tuesday 8th September 2020 9.30 – 12.30pm Tel: 0151 233 4770</p>	<p>Huntscross CC: Tuesday 3rd November 2020 9.30 – 12.30pm Tel: 0151 233 3733</p>

Session two is delivered the following week in either a morning session or afternoon session. This is a practical workshop demonstrating how to deliver strategies to support a child with sensory processing needs. **This can only be booked with the OTs at the awareness session (session one).**
