

Summer 2019 Parents' Questionnaire

We regularly invite feedback from all parents so that we have an accurate picture of parental perceptions regarding our school strengths and areas for development. This includes our annual 'Parent Voice' questionnaire, the results of which are collated below.

56 completed questionnaires were analysed and results collated.

Our child has really come on thanks to the hard work of the staff.

You asked ...

Can we pay by card or App?

Can children in the infants learn a foreign language?

Can more learning take place outdoors?

So, we are ...

... in the process of meeting with a range of companies who provide schools with the ability to process payments from parents to school online via an App.

... expanding the Mandarin Chinese provision that we currently offer in school so that all children from Nursery to Year 6 receive language and culture lessons.

... continuing to ensure that outdoor education remains a cornerstone of our school's curriculum by maximising opportunities across all age ranges and in all curriculum areas; for example, by ensuring that fieldwork supports our geography studies and that our children are exploring their local area and their city.
